**JAN DOMS MUSHTOPIA II**  
art & architecture in motion

Dear Friends and everyone who is interested,

We are pleased to invite you to the festive opening on Thursday, Sept. 5 at 7 p.m. of the exhibition JAN DOMS MUSHTOPIA II - art and architecture in motion.

In the work of the Dutch artist/designer Jan Doms (1949), movement is a central theme and it is characteristic that he works at the intersection of various art disciplines and urban design.

On this occasion the new publication about the work of Jan Doms is also published.

Sincerely,

Armenuhi Manukyan, Director

PS.

From 13-15 September 2019 there will be the Mushtopia Festival in Mush with Emili Aregak Centre as its base.

**TALKING GLIDERS & Ai Ai Ai - photos: Suren Manvelyan**

As part of the exhibition 'JAN DOMS MUSHTOPIA art & architecture in motion' which took place in ACCEA NPAK Yerevan (12/07 - 09/08/2019), the weekly series of performances by **Jan Doms** a.o. was concluded with this integrated performance.

**TALKING GLIDERS** in collaboration with **Alex Vartan Gubbins** (dialogue pilots).

**Ai Ai Ai** - an action in which the female presence makes the law of gravity work out in an open playground through minimal finger-touch and poetry - in collaboration with **Hasmik Tangyan** (dance) and **Lilit Petrosyan** (poetry and electronic music).

**JAN DOMS MUSHTOPIA II art & architecture in motion**

The exhibition 'JAN DOMS MUSHTOPIA II art & architecture in motion' comprises two parts.
